\*\*\*

\*\*\* Join us for Update 2008! Dialog is holding updates this fall in several areas and would love for you to join us. Visit [www.dialog.com/events/update](http://www.dialog.com/events/update) to register or enter HELP UPDATES for more information.

\*\*\* "Thomson File Histories" are now available directly through Dialog in selected patent and trademark files. Combined with the comprehensive patent and trademark information on Dialog, file histories give you the most complete view of a patent or trademark and its history in one place. When searching in one of the patent and trademark databases, a link to an online order form is displayed in your search results, saving you time in obtaining the file histories you need. See HELP FILEHIST for more information about how to use the link and a list of files that contain the link.
